

# URBAN FORM WALL MOUNT BENCH

Model Number : UFWM-17S Seat Support

UFWM-17E Seat End 2 x 6 Re-plast Planks

## DESIGNER NOTES

Taking its design cues from the Urban Form line, this cantilevered wall-mounted bench system is as straightforward as it is attractive. Crisp, modern lines and subtle motifs on the supports complete the look. This bench is great in applications where space is at a premium and where ease of cleaning around the base of a traditional bench would be cumbersome. The overall impression is that the bench is 'floating' along the wall and the capped lumber ends add to the aesthetic appeal.

Determining what is required for every application is simple. Each bench requires 2 ends (UFWM-17E). The number of supports (UFWM-17S) required is determined by the total length and dividing it up to a maximum span distances of 20". For example, a 72" bench would have 3 supports 18" apart from each other and a 60" bench would have 2 supports 20" apart from each other. The lumber comes in 3 lengths 6ft, 10ft and 12ft. The seating utilizes 3 boards deep giving a comfortable 17" seating surface.

## AVAILABLE RECYCLED PLASTIC LUMBER COLOURS

Black

Green

Harbour Grey

Light Grey

Redwood

Sand

Walnut

Wishbone  
site furnishings

## PRODUCT SPECIFICATIONS

Products Re-Plast Avantage +™ Recycled Plastic Slats  
Planks Actual Size 1 7/16 x 5 3/8

Standard Lengths are 6,10 and 12Ft

This product will not rot, splinter, or warp reducing maintenance costs over the life of the product.

Colours Available: Black, Green, Harbour Grey, Light Grey, Redwood, Sand, Walnut

10 YEAR LIMITED WARRANTY

Durable Powder Coated Aluminum Supports

Spacing Between the Supports NOT TO EXCEED 20"
